

Spirit of Life Ministry

Prayer of Deliverance:

Deliverance from alcohol/drug addiction:

*If you are struggling with any addiction, please read this prayer. Believe God to rescue you and be intentional to say no to these addictions.

Dear Heavenly Father, as we lay ourselves before you at your feet, covered with the blood of your son and our savior Lord Jesus Christ, we lift up the person who is listening to this prayer and is in need of you to come and intervene in his/her life. I pray daddy that even as I pray, you will start touching the person who is listening through the power of your Holy Spirit. Holy Lord, come and invade the darkness through your light. Lord, I pray father that you will lift up the person with the strength of eagle and give them the desire, hunger and thirst to say no to alcohol and drugs as they realize the importance of their lives for you and truth of your kingdom. I pray Lord that your Holy Spirit will come upon the person who is listening, breath the life and break every chain that try to bound them in the addictions. I pray Almighty God that power of the blood of Lord Jesus Christ will break every chain of addiction of drug and alcohol even as I am praying this. I believe that they are no longer bounded to any generational chains or the chains that they formed through their own life. I pray daddy that you forgive them for their sins and reveal them about your unconditional, mighty love that you have for them. I believe that they are coming out of this addiction as Israelites were delivered from the land of Egypt. That you divide the red sea for them and bring them out of the wrong relationships that provoke them to be bound. I declare and decree that the person who is listening or reading this is completely set free and as your Holy Spirit fills their atmosphere, they are being set free from every addiction and unhealthy habits as where the Spirit of the Lord is there is freedom. We declare and decree that the person will live a life of good health and freedom from this time onwards. We surrender them to you, unto your hands, where they are secure. I pray daddy as they have encounters with you, they will start living a life in spirit and truth that pleases you, bringing you glory. In Jesus Name, Amen.
